At Palate & Ply we endeavour to provide superior quality and flavour in all our drinks. Our passion and expertise shines through, serving you the perfect cup, time and time again. We are proud roasters of our own triple cleaned, high quality coffee beans, which are smooth and consistent, packed with flavour and a wide range of tasting notes. We offer a medium and dark roast at our coffee bar as well as Decaf and our single origin of the week. Be adventurous and try our creamy Nitro-an infused cold pressed cold coffee. Organic Teas are made with choice grade speciality Chamellia loose leaf and our range of Organic Juices, Smoothies, and popular Milkshakes are carefully selected to ensure there is something for everyone.
